BSA

ADVANCE TO ADVENTURE!

Get *going* on a big BSA twin—discover the enjoyment of *real* motorcycling. Thrill to flashing acceleration; high power torque that eliminates constant gear-shifting; huge reserve power that rockets you ahead in the clear with a flick of your wrist. Shown above is the beautiful 1967 BSA LIGHTNING, a twin carburetor powerhouse with dynamic road performance and superb handling ability. Thousands of enthusiastic owners are well aware of the many wonderful internal engineering refinements that have helped make it the popularity leader in big motorcycles. Advance to the top in motorcycling performance and pleasure. See the 1967 LIGHTNING at your BSA dealer!

Write to the nearest factory branch for details and full color illustrations of all the new 1967 models. Specifications may vary between Eastern and Western models. (Offer limited to U. S. residents.)

WEST: BSA MOTORCYCLES-WESTERN • Dept. A, 2745 Huntington Dr., Duarte, Calif. 91010

DAYTONA SUPER SPORTS

T100R (500 c.c.)

This is the brassy one. New addition to the Triumph line, named in honor of the Triumph that won the 1966 200 Mile Daytona National Championship Road Race. The new T100R comes on stronger than ever. More power, more performance. A truly great ride. Available also in T100C competition form. See it now . . . at your Triumph dealer's.

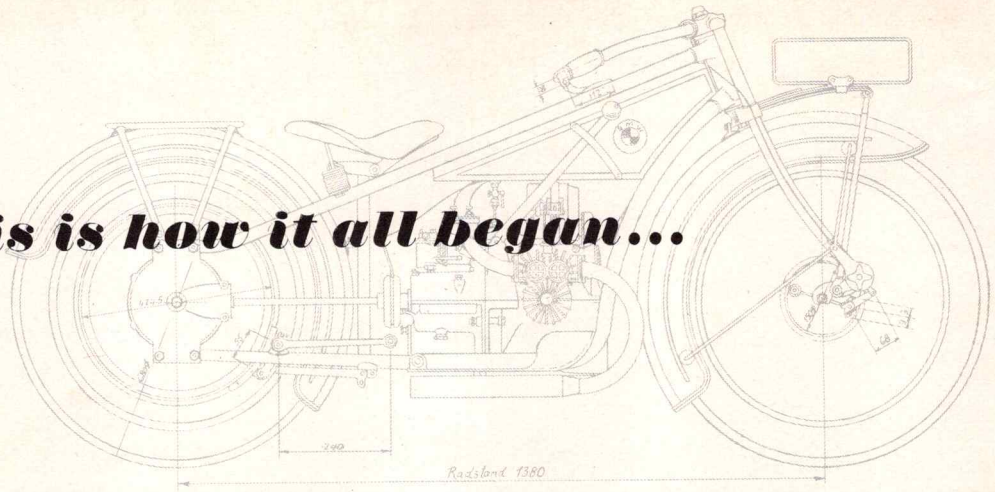
TRIUMPH



This is how it all began...

In this day and age of team product-design, a man like Max Friz would be considered a loner, and possibly a bit too temperamental, but he would still be recognized as a genius. His career as a young engineer began in the design of aircraft engines for BMW, one of which helped to set a world altitude record in 1919. Then, after Germany's defeat in World War I, new tasks awaited Friz.

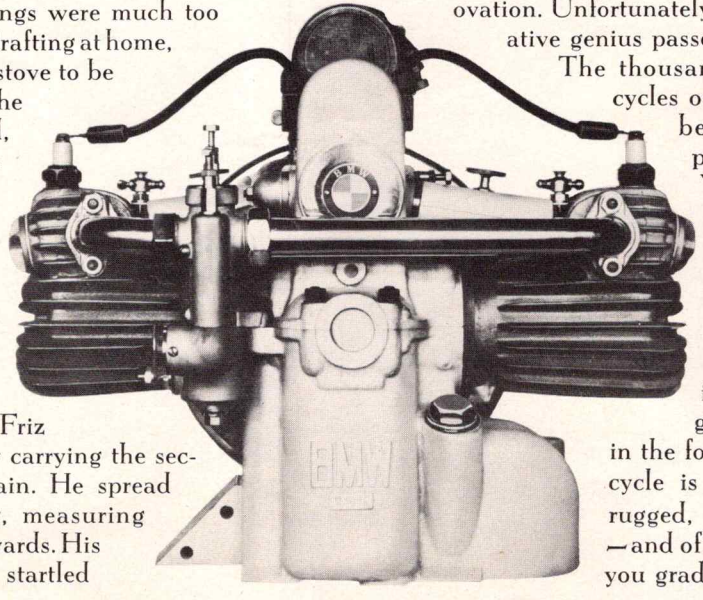
Among BMW's first peacetime products were motorcycles. Management tried its best to market a machine called "Helios," which was unsightly and handled poorly. Master-designer Friz was called in to see what could be done to make the contraption more roadworthy. His blunt recommendation was to drop the whole project in the nearest lake. But he finally reconsidered when his employers offered him a tempting bargain: save the "Helios" by modifications, then design the next model from scratch, using your own ideas.

Friz accepted the deal, but promptly announced that the factory buildings were much too cold—he would do his drafting at home, warmed by a potbelly stove to be supplied by BMW. The management grumbled, but consented, and Friz quickly reworked the flaws of the "Helios." A better frame, improved steering, and a larger engine made it marketable—though neither beautiful nor famous.

A few weeks later, Friz returned to the factory carrying the second half of the bargain. He spread out a giant drawing, measuring more than four square yards. His revolutionary concept startled everyone. It embodied such brand new ideas as: a horizontally-opposed twin-cylinder engine in unit with the gearbox—a double loop frame—power transmission through a shaft drive and a set of bevel gears. Unusual, unquestionably! Would it work?

While some at BMW advised caution, management thought highly enough of Friz to back him up. The new design became a reality and exhaustive road testing soon proved its excellence. The new BMW motorcycle was the sensation of the 1923 Paris Motor Exposition. Further testing on the race tracks of Europe followed almost immediately, the first victories coming in 1924. In the years that followed, BMW motorcycles embodying Max Friz' master design won fourteen World Road-Racing Championships and set 195 World Speed Records, 27 of which stand today.

When BMW celebrated its 50th Anniversary last year and Max Friz was introduced to the distinguished audience, he received a tremendous ovation. Unfortunately, this spirited and creative genius passed away soon after.



The thousands of BMW motorcycles on the road today have been refined and improved over the years. Yet, they all bear the stamp of "Meister Konstrukteur" Max Friz as unmistakably as their blue-white insignia.

Today's BMW owner is the beneficiary of a great concept hardened in the forge of time: his motorcycle is well designed, quiet, rugged, dependable, beautiful—and of enduring value. Won't you graduate to a BMW?

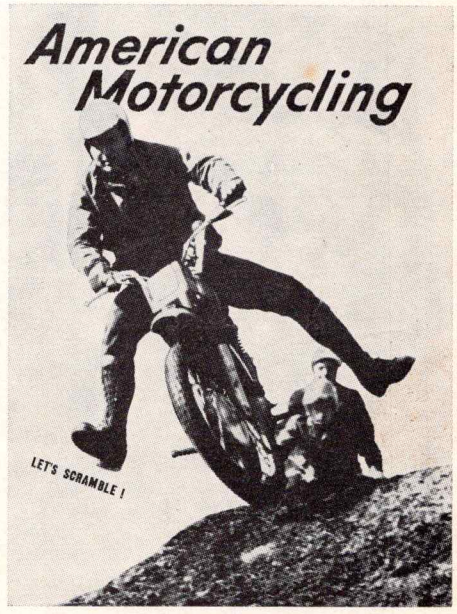
THE FINISH LINE



Cover

Let's scramble is the name of the game. There have been a few scrambles scheduled so far, but as spring comes on strong and then gives way to summer there will be scrambles everywhere every weekend and scrambles riders will be out in full force. Pictured is Ed Stein of Dayton, Ohio coming over one of the many jumps in a scrambles race last year.

Goodyear introduces the "50-state tire"

It's called the All-Traction... Goodyear's latest design for every road.

Goodyear built All-Traction to give the new breed of bikes a surer grip on American roads.

You drive all day at turnpike speeds. Take curves faster and hit potholes harder. So we gave All-Traction a new kind of Tufsyn rubber with extra "cling" and just as much toughness. And backed it with the body strength of rugged 3-T nylon cord.

We molded big chunky tread blocks in the rubber to give you positive stops. And set sipes in the blocks to help you maneuver in 5:30 traffic.

We angled the grooves to spin water out of the tread, for Fifth Avenue when it drizzles.

We used heat resistant additives, for Interstate 10 when it sizzles.

We gave All-Traction everything the world's largest tire maker could give it for the kind of driving you do.

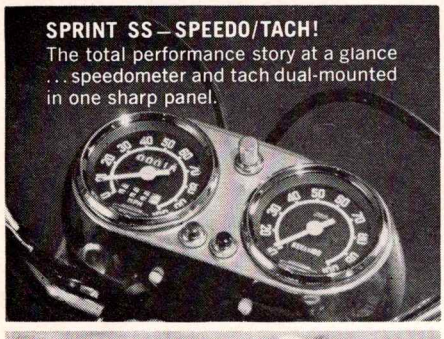
You're riding on tires that came with your machine.
Now try a pair that were made to fit your driving.
Goodyear, Cycle Tire Department, Akron, Ohio 44316.

GOODYEAR

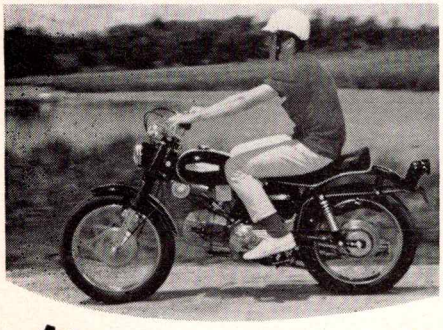
All-Traction, 3-T, Tufsyn—T.M.'s The Goodyear Tire & Rubber Company, Akron, Ohio

LEAVES THE WORLD BEHIND!
250cc speed record—176.817 mph at Bonneville with standard CR engine using pump gas.

NEW SPRINT OVERSQUARE ENGINE!
Aluminum head, aluminum cylinder, special alloy sleeve with a bore/stroke of 2.83 x 2.40 inches cracks out 18% more power and an endless supply of reliability!



SPRINT SS—SPEEDO/TACH!
The total performance story at a glance . . . speedometer and tach dual-mounted in one sharp panel.



MOVE UP TO THE BOSS-SPRINT! GO HARLEY DAVIDSON

1967 Sprint. The middleweight bomb that "no amount of flogging will hurt . . ." delivers 18% more GO with a new 250cc, oversquare powerplant! Sprint SS is ready for the road or the rough with extra ground clearance and detachable headlight. Sprint H is restyled for action from new road race tank to streamlined muffler. *These are the hot ones!* Check the Yellow Pages for *your* Harley-Davidson Dealer.

Don't Forget —

The Club Photo Contest

There is no necessity to wait for this coming season's activities. You may have good photos from past events. Look through those scrapbooks, we'll bet that you find plenty of material. So send it in. Just follow the rules below. If you do not have a photo release use the one at the bottom of this page.

Entry Requisites

The photographer must be a member of AMA. The photos must be entered by an AMA chartered club in good standing. The club must presently subscribe or must take a minimum one year subscription to AMERICAN MOTORCYCLING.

Photo Requisites

All photos must depict some activity of AMA. They can be action photos, comedy scenes of some club activity, racing, outings and others showing individuals, or groups with motorcycles. Photos can be either black and white or color. The negative must accompany the photo. Negative will be returned when requested, otherwise they will be kept in the club file. Negatives of winning photos must remain with the AMA for the duration of the contest. We must have a signed release from each person in the photograph allowing American Motorcycling full rights to use the photo for publicity reasons. The photographer and a Club officer must also sign this release. Use the photo release in the mailed announcement for the first photo and make copies of the release form for subsequent entries. Clubs may enter as many photos as they wish during any one month and over the duration of the contest. Photos cannot have appeared in any previous publication or magazine.

Contest Duration

12 months contest starting in January with winners each month.

Awards To Winners

1st, 2nd and 3rd place winners will be selected each month by our judges. Each of the 12 monthly first place winners will be judged to determine the GRAND PRIZE WINNER. Twenty-five, fifteen, and five dollars cash awards will be made each month. The Grand Prize winner will receive fifty dollars. All awards will be made in the name of the winning club. All first place photos will be printed in AMERICAN MOTORCYCLING magazine. The Grand Prize winner will be used as the front cover for an early 1968 issue of the magazine. Photo credits will be given to both club and photographer.

Photo To Go On Display

All monthly first winners and the Grand winner will go on display in the NEW American Motorcycle Association Building in Worthington, Ohio.

The Grand Prize winning club will receive an enlarged and framed copy of their winning photo.

PHOTOGRAPH RELEASE

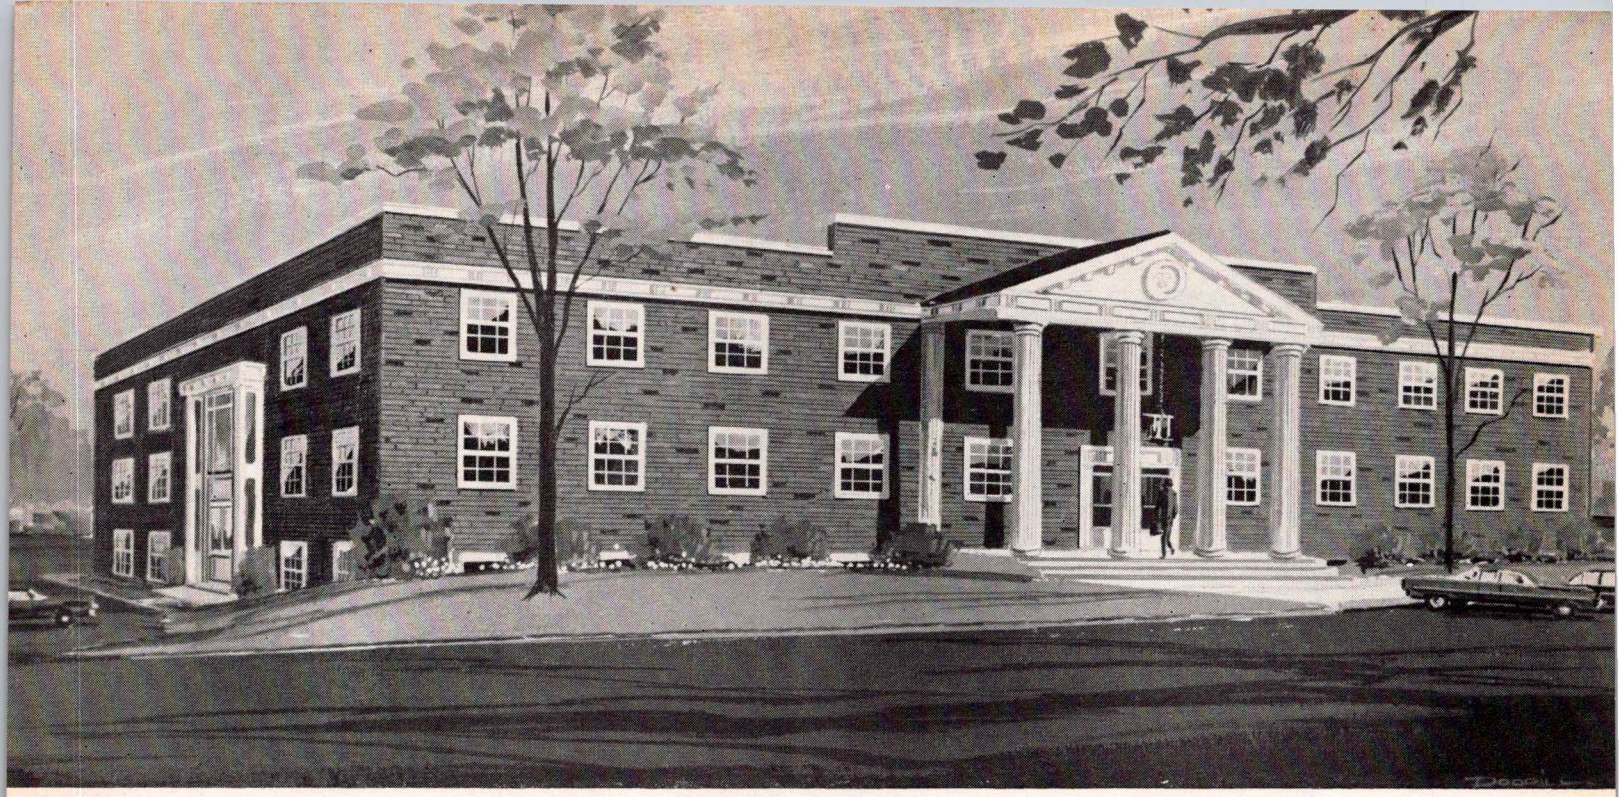
We release this photograph to the American Motorcycling Magazine and to the American Motorcycle Association for the purpose of entering it in a Photo Contest and we further release this photograph to them to be used for publicity and to be printed in American Motorcycling Magazine and other publications.

CLUB NAME: .....

CLUB OFFICER: .....

PHOTOGRAPHER: .....

NAMES OF PEOPLE WHO CAN BE IDENTIFIED ON THE PHOTOGRAPH SIGN BELOW:



New American Motorcycle Association building

New AMA Headquarters

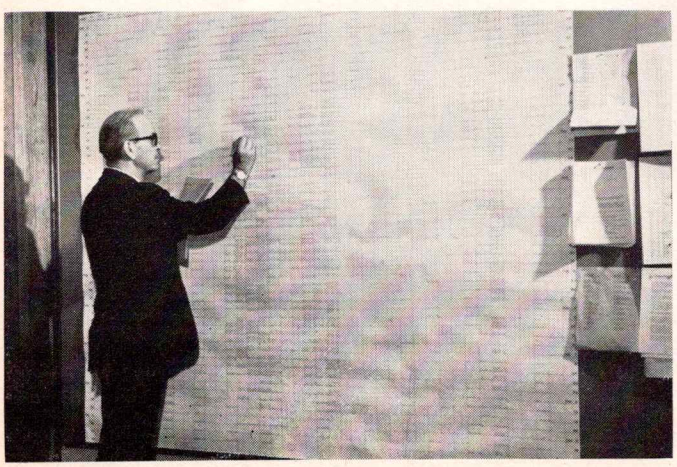
We have moved! Above is the architects rendering of the building in which are housed the American Motorcycle Association, the Governmental Relations Department of the Motorcycle, Scooter and Allied Trades Association, and American Motorcycling Magazine. These offices occupy the entire second floor.

Due to the increase in membership and activities it was necessary to expand into more space for offices and for the equipment needed to process the large membership.

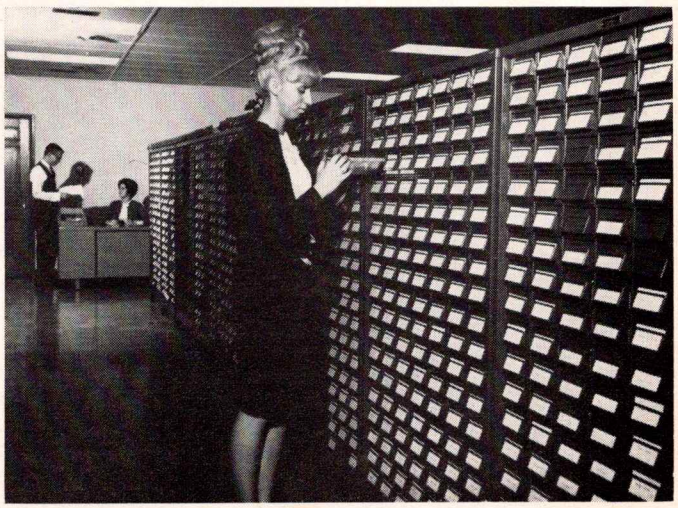
If at anytime you are in the vicinity, you are cordially invited to visit us at 5655 N. High St., Worthington, Ohio (on the north side of Columbus).

In corresponding, the new mailing address is Post Office Box 231, Worthington, Ohio 43085

Director Paul McCrillis of the Motorcycle, Scooter & Allied Trades Assn's Governmental Relations Department works diligently at the legislative level.

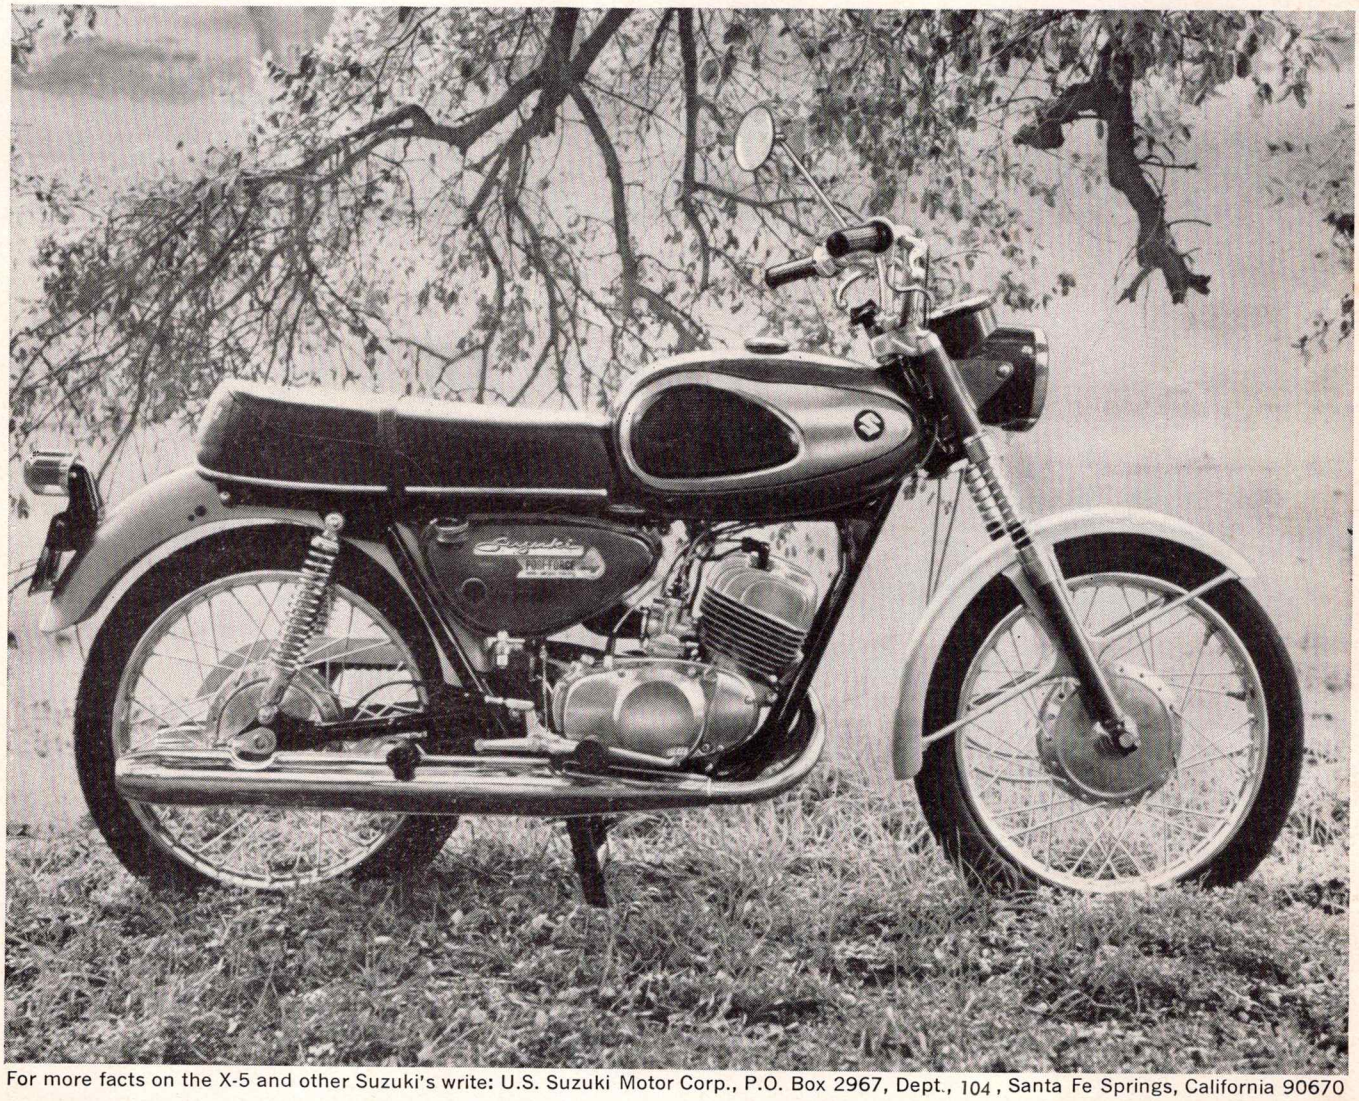


Director of Competition Jules Horky lists sanction applications on the large chart that shows all events for the entire year.



Row upon row of plate drawers contain information on every member in the AMA. In background is Membership Director Duane Frey going over files with his Secretary Jean Holmes while Patty Welch checks out a member's plate.

Introducing America's 2nd best sportcycle



For more facts on the X-5 and other Suzuki's write: U.S. Suzuki Motor Corp., P.O. Box 2967, Dept., 104, Santa Fe Springs, California 90670

Introducing the Suzuki X-5 Invader, the bike that answers the question, "after the X-6 Hustler, what?".

For punch, power and appearance, it's the picture of the record-shattering X-6, only 50cc's smaller.

It yields to your every whim with a responsive 5-speed gearbox and spirited 200cc Dual-Stroke engine.

It turns on 23 horses at an easy 7500 rpm; turns through the ¼-mile in 16.1; turns in a top speed range of 90 to 95.

It ends oil-gas mixing for good with exclusive Posi-Force lubing.

It leaves the other leading lightweights thousands of miles behind with the Suzuki 12 month/12,000 mile Warranty. Just ask any Suzuki dealer.

While you're there, solo the X-5 Invader—the bike that's better than anywhere you've been but still gives you somewhere to grow.

solo SUZUKI X-5 INVADER

Suzuki X-6 sets new world land speed record for 250cc production-class motorcycles at Bonneville Salt Flats.

MOTOR MAIDS

By Leslie Pink

The first week-end in February brought together the hard working officers of our club for their annual meeting. Mabel Hutchinson opened her home in Acton, Indiana to the officers — who promptly turned it into a clacking, buzzing hubbub with typewriters, mimeograph machines, staplers, and telephones all going at the same time. With a lot of hard work, the membership lists and Advisory were typed, printed, stapled together, and put into mailing shape. With efficiency reigning, the girls were able to get all their work completed by Saturday evening — just in time to go out for dinner and an evening of relaxation. Sunday morning, Mabel and Margie Yoke were kept busy running a taxi service back and forth to the airport as the girls headed for home. Attending this "work party" were Mary Cutright, Dot Robinson, Kathy Anderson, Butch Widman, Jeannie Griffin, Mary Shaffer, Leslie Pink, Mabel Hutchinson, Margie Yoke, Marge Peak, Dot Smith; with Barbara York, Rusty Denney and Vera Griffen dropping around to lend a helping hand. The first to leave on Sunday were Jeannie Griffin and Kathy Anderson, headed for Minneapolis. The poor girls got all the way to Chicago, but due to the heavy snow storms, could not land and the plane came back to Indianapolis. When I got my plane Sunday afternoon, they were still at the airport trying to get a plane home. Mary Shaffer's plane from Buffalo, N.Y. was so slow she swears they were delivering mail on the way out. Mabel Hutchinson was a marvelous hostess and if we don't fit into our uniforms anymore — Mabel's cooking is to blame.

Places to go now that riding weather is here:

May 6-7—
May Day Parade for V.A. Hospital in Chillicothe, Ohio (Uniforms)
Saturday evening doings — sleeping accommodations arranged.
Sunday uniform parade at 3:00 p.m. Contact Mary Cutright.

May13—
Saturday night — Poker Run — Ephrata, Pa. Contact Phyllis Kresge.

May 20-21—
Northern Ohio Meet — Saturday night doings — bring sleeping bags.
Sunday—motorcycle fun. Contact Grace Chronister.

May 20-21—
Kansas State Rally — Contact Betty Deering

May 28—
Reading, Pa. 12 Mile National
Motor Maid Headquarters:—
Holiday Inn — 5th St. Highway & Warren St. By-Pass, Reading, Pa.
Reading Motor Lodge, Park Rd. & Warren St. By-Pass, Reading, Pa.
Specify that you are a Motor Maid when making reservations.
Sunday morning breakfast 10:00 a.m. at Holiday Inn. Parade. Contact Phyllis Kresge.

June 10-11—
Heidelberg, Pa. Headquarters — Tonidale Motel, R.D. #1, Oakdale, Pa.
Lawn party Saturday night and breakfast Sunday morning 10:00 a.m. Parade. Contact Phyllis Kresge.

June 23-25—
Charity Newsies — Columbus, Ohio
Headquarters — Clarmont Motor Inn, 650 South High St. Columbus, Ohio.
Specify that you are a Motor Maid when making reservations.
Friday night — Dutch treat dinner (dresses required)
Saturday — lunch and practice at track — evening banquet
Sunday — Breakfast 9:00 a.m.-1:00 p.m. Parade.

June 28 to July 2—
National Convention — Lancaster, Pa.
Lancaster Holiday Inn — U. S. Route #22 at State Rt. #501, Lancaster, Pa.
Make reservations early.

That should keep us busy for a while.

Southern California girls have been busy, as usual. Tina Tweet was the hostess at their annual Christmas Party. Attending were Peggy Rogeski, Isabel Hetrick, Phyllis Clark, Jan McCoy, June Vanlandingham, Sandy Whetnall, Ivaline Tenny and Tina Tweet. Several prospective

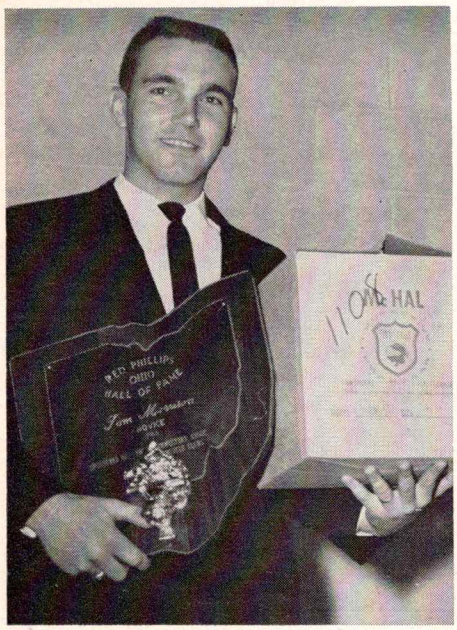
Southern California Motor Maids take time out from their holiday party for this group shot. Pictured from left are: Tina Tweet, Peggy Rogeski, Phyllis Clark, Isabell Hetrick, Lee Marshall, Jan McCoy, Esther Smith, June Vanlandingham, Sandy Whetnall, and Ivaline Tenny.

Southwestern Ohio Motorcycle Clubs Banquet Greatest Ever

Saturday night January 14, 1967, the Southwestern Ohio Motorcycle Clubs Association held their fourth annual banquet in Dayton, Ohio.



Tom Morrison displays his plaque and helmet won in the Red Phillips Ohio Hall of Fame novice division.

The wonderful meal, award presentations and dancing were attended by 203 fans.

The association has always awarded trophies to Sportsman riders. This year we picked up the Columbus (Ohio) Star's Hall Of Fame Award. Hereafter, it will be known as the Red Phillips Ohio Hall of Fame Award to be awarded annually. Winners of this award for 1966 were:

Ronnie Rall, Expert, Mansfield, Ohio

Jack Warren, Amateur, Clio, Mich.

Tommy Morrison, Novice, Jacksonville, Ohio

Winners of the Sportsman awards were:

Bill Siegler, Ltwt. Scrambler, Dayton, Ohio

Dave Dresjer, Hvywt. Scrambler, Springfield, Ohio

Bud Wilson, Enduro, Columbus, Ohio

Mrs. Yahanie Boy, Poker Run, Dayton, Ohio

This was one of the finest banquets we have had and everyone remarked about the nice time they had. Jr. Kelley of "KK" Supply Company was the Master of Ceremonies.

Red Phillips, who originated the Hall of Fame, while reporting motorcycling on the now defunct Columbus Star, is retired and living in Daytona Beach, Fla.

MC J. R. Kelley (right) presents Ronnie Rall his plaque and helmet for winning the expert class in the Red Phillips Ohio Hall of Fame. Looking on is Rall's mechanic Edgar Fuhr.

Awards Winners

The Motor-Aires MC of Hastings, Mich. have announced that winners of their 1966 Activity Contest were Joseph Ulrich and Marie Ulrich. These two members have been most active as Joe was club president and Marie club secretary for the past year.

Over in Waynesboro, Pa., the Waynesboro MC Inc. awarded points all season and when the final tally was made for 1966 it was Wilber Helman in first place and William Cook runner-up.

MOTOR MAIDS from page 13

Motor Maids were on hand. Peggy Rogeski was hostess of the January meeting at which the girls made plans for their fourth annual Colorado River Run which is scheduled for February 25th & 26th. They are hoping to top last year's entry of 500.

The Southern Washington and Oregon girls had their annual Christmas Party at the home of Shirley Abbott. Attending were Helene Redman, Jean Purcell, Diane Redman, Betty Robinson, Carol Swim and prospective Motor Maid — Winnie Frey. Christmas carols were sung following a big turkey dinner. Shirley Abbott won the activity contest trophy for the year traveling the most miles. Shirley received a nice Christmas present in the form of her motorcycle — which was recovered after having been stolen from her garage. The girls are happy to welcome back into the club — Bobbi Hesselgrave of Roseburg, Oregon.

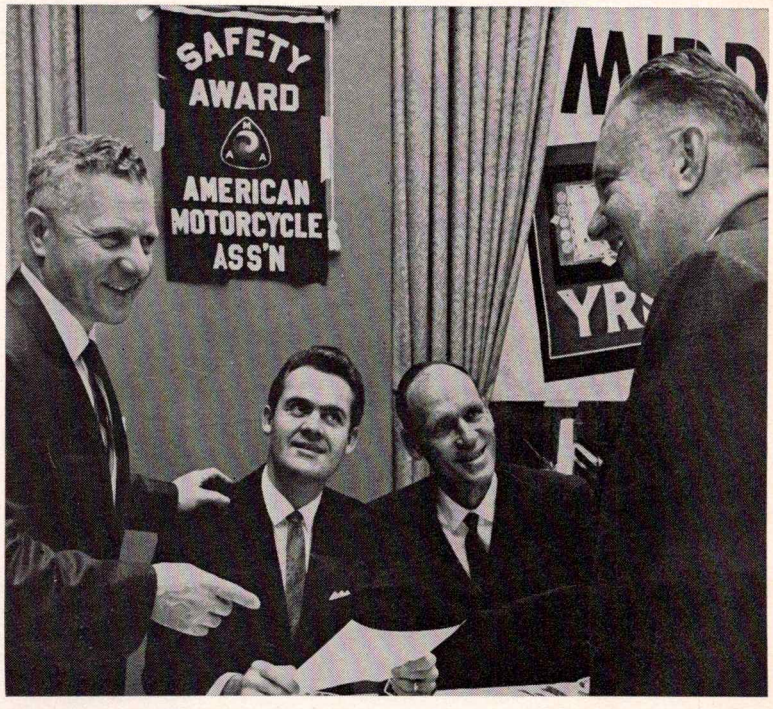
Last we heard from Dot Fisette — she was still shovelling snow out there in Minnesota. The Ice Cycle Derby held on January 1st in Minnesota was won by our own Jeannie Griffin, followed by Pat Anderson. I understand that next year the men are insisting on a separate class for themselves because they don't like being beaten by the girls.

Well, while you Southern California girls plan your Colorado River Run — this New Yorker is going out to shovel some more snow. See you next month.

PUT YOUR BEST WHEEL FORWARD
JOIN THE AMA

The annual banquet of the Middle Atlantic Motorcycle Dealers is always a gala occasion and was enjoyed immensely by over 70 dealers and their wives who attended. It is always held the evening before the annual district meeting of the AMA. Pictured at the head table from left are: John Varesio, Mrs. Fritz, Horace Fritz, Al Walters, Garry Payne, Ed Mills, Mrs. Mills, Mrs. Ferris, and Cliff Ferris.

Middle Atlantic Motorcycle Dealers Association Banquet And District Meeting



At right: A few of the Middle Atlantic Motorcycle Dealer Assn. officers discuss plans with Garry Payne, Deputy Director of AMA, during MAMDA's 32nd annual dinner dance show. Pictured from left are Monte Chico, Trenton, N.J., Trustee; Payne; Elmer Shillingford, Philadelphia, Pa., Trustee; and Horace Fritz, Reading, Pa., Secretary-Treasurer.

Below: The banquet and fun are over and its down to the business of setting up sanctioned events for 1967. Club delegates gather to formally present their events for AMA sanction application. The meeting was smooth running and short due to the pre-sanction meeting held under the jurisdiction of District Six Sports Assn. when sanction dates were worked out.

Crotona Midnight Run

By Leslie Pink

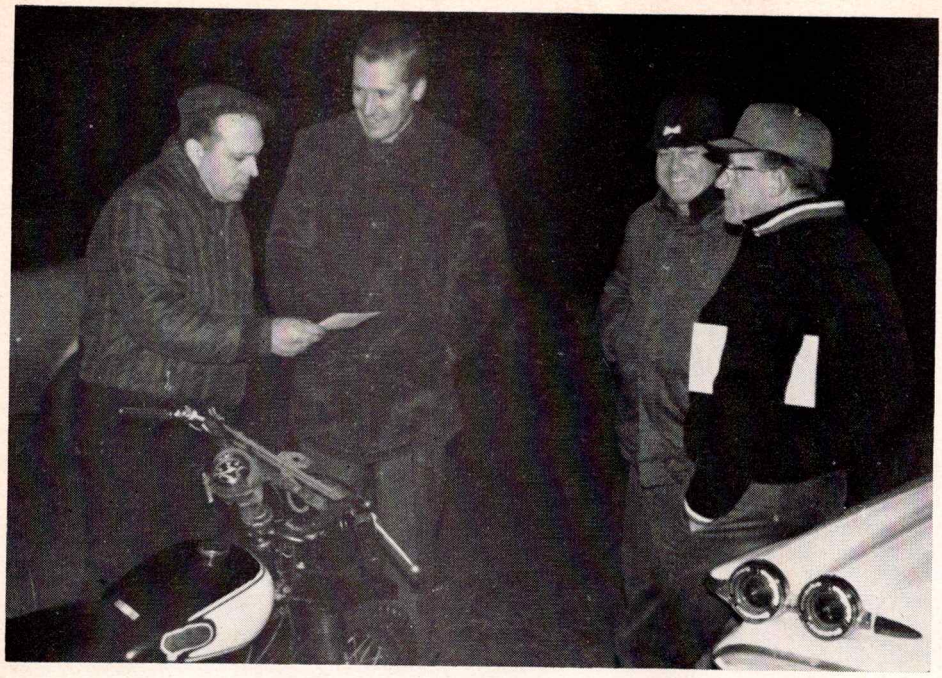
The Golden Anniversary of the Crotona MC Midnight Run was celebrated in great fashion by 149 contestants—a record turn-out for this run. The contestants may not have had an opportunity to dance the Anniversary Waltz, but a few little fancy steps were observed on the ice patches.

We believe that this is the oldest event in AMA history still being run. The Crotona club was founded in 1912 and has been an active, chartered club since its inception. It holds AMA Charter No. 8 and is still one of the most active clubs in the northeast.

This year marks the 50th running of this event, which has held its popularity over the years. This event was run on New Year's Eve during the 1930's, but with the increase in traffic on that night, the run was switched to the third weekend in January. The run is approximately 150 miles long and is run off no matter what the weather. It has been run in pouring rain, snow storms, and sub-zero temperatures. One year early in the 1960's the middle section had to be cut out as the temperature was 35 degrees below zero, and the riders couldn't keep their carburetors from freezing. Despite these odds, there were still five riders that finished the run.

There was a break in the weather this year with temperatures up in the high 20's. At the start in Yonkers, N.Y., the night was clear with no sign of rain or snow. The schedule was a straight 30 miles per hour and that didn't give the riders much chance to make mistakes and still stay on schedule. The first section was 43.0 miles long and most of the points lost for the evening were lost in this first section. The roads were absolutely black and the only illumination came from the rider's headlights. It was pretty difficult to pick up road signs unless you get right up to them. The layout crew threw in some pretty twisty roads, and one rutted dirt road that slowed down many riders. As if this wasn't bad enough - the roads were icy, and many riders found themselves down or off into the woods. A broken headlight is not the most helpful thing to have in the midnight run. At 1:26 a.m. this section was over and the riders were given an hour to make repairs, get some coffee, gas up, and rest a little. At 2:30 a.m. they were off again on the second leg of the run. This section was 62.7 miles long and consisted mainly of numbered highways. At about 48.0 miles into this section, one of the worst ice stretches appeared and the riders found going very tricky. At times there were six and seven riders sliding down at the same time - like a chain re-action. Fortunately, with all the clothing worn - no one was hurt, but the scores were suffering. At 4:35 a.m. that bout was over and only one more section remained. The final leg was started off at 5:30 a.m. and was 51.7 miles long. The riders were mighty weary by now and were looking forward to signing that last check sheet. Dawn was a lovely sight - and a most welcome one. 7:13 a.m. the first riders signed into the finish, weary, cold, bleary eyed, but happy. Just to finish a Crotona Midnight Run is considered quite an accomplishment.

Happy finishers sign in at morning check.



Past Jack Pine winner Sal Scirpo, Hartford, Conn., discusses route card with fellow enduro riders Pete Boonstra and Ralph Spencer.

The lay-out crew did a terrific job on the course. It was a good course, but one that could catch you napping if you didn't watch the route card. The checkers had a hard job having to keep their checks open for over three hours. It gets mighty cold standing out there checking in the riders, too. Watches were right on the button and checks hidden in such a way that you couldn't detect where they might be. It took several days of figuring to get the scores compiled and re-checked. The result sheets were in the mail by Thursday of the same week. The club knew everyone was anxious to know how they finished and put all their effort into getting results out as soon as possible.

There was a tie for high score between Jack Sartorius of Accord, N.Y. and Jim Ransom of Riverside, Conn. However, the emergency checks were called into use and Jack Sartorius emerged High Score winner with 997 points and 23 seconds. Jack is to be congratulated as he is a Class B rider and beat the Class A boys. Embarrassing - that's what it is!!!! Jim Ransom's score was 997 points and 84 seconds. Our defending champion, Ron Bose of New York City, who won the run in 1965 and 1966, missed a turn that put him out of the running.

There were five states represented in the run - New York, New Jersey, Connecticut, Massachusetts and Pennsylvania. There were 87 finishers. The High Score winner, plus first place winners in each class, will receive a beautiful clock trophy. Second and third place winners in each class will receive trophies, and all finishers not receiving trophies, will receive a finishers award medal.

You can be sure there will be a Crotona Midnight Run next year - so mark your calendar and come on out.

Results Crotona Run

HIGH SCORE			
John Sartorius, Jr., Accord, N.Y.		TRI	997
(Class B Solo)			
CLASS A SOLO (EXPERT)			
1.	Jim Ransom, Riverside, Conn.	H-D	997
2.	Leslie Pink, Yonkers, N.Y.	SUZ	996
3.	Tom McKinney, Cresco, Pa.	HON	994
4.	Ernest Anderson, Murray Hill, N.J.	H-D	985
5.	Marvin Eckstein, Bayside, N.Y.	BMW	975
6.	Richard Johannesen, Shohola, Pa.	H-D	974
7.	Ronald Bose, New York, N.Y.	BMW	956
8.	John Knoeppel, Mahopac, N.Y.	SUZ	949
9.	Sal Scirpo, Hartford, Conn.	H-D	885
CLASS B SOLO (NOVICE)			
1.	Dennis Coulum, Accord, N.Y.	TRI	988
2.	Leonard Bauer, Newburgh, N.Y.	H-D	985
3.	Luther Woodrum, Poughkeepsie, N.Y.	BMW	984
4.	Austin Pranke, Rutherford, N.J.	H-D	972

(*Continued on page* 26)

Jim Ransom finished with a very high 997 but missed high score by seconds on the emergency check.

William Nixon, Franklin Lakes, N.J., studiously figures out his schedule.

Midwinter Rally And Gold Hunt

Tom Morrison proudly displays the Head Hunter trophy he won as other contestants and spectators wait on complete results.

There were some 250 riders signed up and approximately 500 total including spectators who gathered at Atsion, N.J. for the annual Midwinter Rally and Gold Hunt sponsored by the Middle Atlantic Motorcycle Dealers Assn. It was cold and fair weather which was a welcome change from some of the past rallies when snow blanketed the area.

Hidden throughout the "gold fields" were $450.00 in Gold Nuggets and $336.00 worth of merchandise prizes. Winner of the Head Hunters trophy, top award donated by the Pic-A-Lil Inn, was Tom Morrison of Vineland, N.J. Other high point nugget winners were: Jack Winters of Dallas, Pa.; Rolent Gatlet of Indian Mills, Pa.; and James Endean of Lake Hopatcong, N.J.

In the Observed Trials, held in conjunction with the rally the Overall winner was Til Akehurst of Baltimore, Md. riding a BSA.

The road division winners were Carl Schaeffer, Dennis Schaeffer, Bart Hargey and Burd Guers. In the heavyweight division Tom Garret was top man followed by James Smith and James Endean.

The lightweight division saw Ed Varnes on top with Harry Bergen runner-up and Bruce Triplett and Richard Bergen tied for third.

Winners in the drawing were:

Bob Pedrick, Millville, N.J., Beck, Romer helmet.

Dwight Gill, Baltimore, Md., BSA, Inc., case of oil.

Clarence Hyde, Haddenfield, N.J., Triumph Corporation, Bell helmet.

Joseph Kish, Lakewood, N.J., Cosmopolitan Motors, Pirelli tire.

Jerry Gribble, Vineland, N.J., Herm's Leathertogs, riding belt.

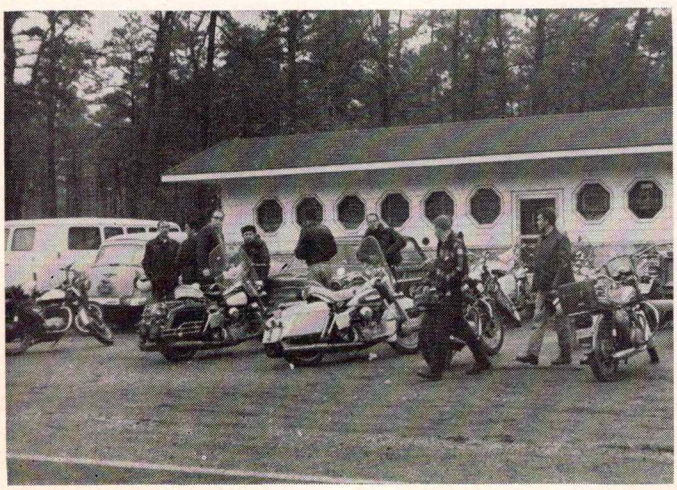
Pat Bauman, Reinholds, Pa., Harley-Davidson Motors, leather jacket.

Robert Lee, Vincetown, N.J., Butler & Smith, helmet.

John Lex, Sommerville, N.J., Shillingford & Sons, case of drag oil.

Frank Soltis, Chadsford, Pa., B & D Cycles, cowboy shirt.

The rally is also a family affair with Mom and Pop bringing the children buddy-seat style.



The early birds pass the time getting acquainted, talking over past Gold Hunt Rallies and just cycling in general.

Cycles and riders pack the Pic-A-Lil Inn parking lot and stretch out along the highway as they await the starting signal.

Miamisburg Mound Riders Moto Cross

The Miamisburg Mound Riders early in February sponsored a Moto-Cross at its toughest when riders pitted their skill and machines against fast straights, water splashes, tight woods, corduroy bridges, and worst of all three miles of mud.

Enthusiastic riders arrived from Ohio, Indiana, Kentucky, and from Ontario, Canada, Norm Richens, riding a husky Husqvarna. The riders had a real work out after warm temperatures turned "terra firma" into slippery mud, but spectators and camera bugs had a ball watching the action.

You guessed wrong! This is not an euduro. It's what happens to a scrambles course after a thaw then a generous helping of rain.

As always, perseverance was rewarded, this time by first through fourth place trophies per class for the following riders: 0-125cc: P. Allen, Cincinnati, Ohio (HON); D. Fisher, Columbus, Ohio (HOD); C. Matheny, Nelsonville, Ohio (BUL); D. Schwenk, Dayton, Ohio (SUZ): 126-175cc: J. Matthews, Troy, Ohio (BUL); J. Fogle, West Milton, Ohio (BUL); J. Phillips, Richmond, Indiana (DUC); H. Armstrong, Loveland, Ohio (BUL): 176-250cc: D. Ary, Piqua, Ohio (BUL): J. Allen, Cincinnati, Ohio (MAI); C. Turner, Columbus, Ohio (BUL); J. Schwieterman, Dayton, Ohio (BUL): 251-open cc: J. Toth, Nelsonville, Ohio (TRI); D. Rich, Milford, Ohio (TRI); D. Hermes, Covington, Kentucky (TRI); N. Richens, Clankson, Ontario, Canada (HUS).

Everyone had a swell time and club members are now planning another Moto-Cross March 26, on a brand new course, instead of a scheduled enduro.

How To Run And Score A Moto - Cross

ARTICLE XXVII
MOTO-CROSS
Sanction Fee $10.00

A Moto-Cross is a Scrambles, except in the method of running and scoring the event.

Each Class in a Moto-Cross is run in three separate main event heats, all three of these heats must be the same distance.

The contestants that qualify for the Moto-Cross event in his class, will race in all three Moto-Cross main events heats for his class.

For any class, it is not necessary to have qualifying heat races to run in the Moto-Cross if there are few enough starters for safety.

If there are too many riders for a class to start the complete class safely, then qualifying heat races must be run to qualify for the Moto-Cross.

A split program may be run where certain classes can be run as a Scrambles and other classes run as a Moto-Cross.

The winner of a Moto-Cross shall be determined by the total number of points earned by each rider for his finishing position in his class in EACH of the three separate Moto-Cross heat races.

The following point schedule indicates the number of points the rider earns for his finishing position in each race. With this point system it is very unlikely that there will be a tie score, but ties can be broken by timing each of the three races, the winner with the fastest race decides the winner of the Moto-Cross.

Point Schedule
Order of Finish Points

First	400
Second	300
Third	225
Fourth	169
Fifth	127
Sixth	95
Seventh	71
Eighth	53
Ninth	40
Tenth	30
Eleventh	22
Twelfth	17
Thirteenth	13
Fourteenth	9
Fifteenth	7
Sixteenth	5
Seventeenth	4
Eighteenth	3
Nineteenth	2
Twentieth	1

———o———

Winter Moto-Cross

The Dayton MC of Dayton, Ohio held a midwinter Moto-Cross which has to be classed a success when over 500 fans showed up to root for their favorite rider. This type event — the Moto-Cross — appears to be well accepted by both riders and spectators.

There were 52 riders vying for trophies in six classes. Final results showed the following riders in order of finish for each class. 100cc — Paul Allen (HON) Cincinnati; Jerry Bowling (KAW) Milford; Charles Matheny (BUL) Nelsonville; Cartis Shockey (BUL) Dayton. 175cc — James Robbins (MON) Waynesville; Rod King (BRI) S. Ft. Mitchell, Ky.; Joe Phillips (DUC) Richmond, Ind.; Richard Caskey (SUZ) Dayton. 200cc — Wilbur Zavely (TRI) S. Ft. Mitchell; Ray Moreland (TRI) Elsmer, Ky.; Billy Thomas (BUL) Nelsonville; Charles Ewan (DUC) Richmond. 250cc — J. M. Allen (MAI) Cincinnati; Dick Ary (BUL) Piqua; Jerry Peters (BUL) Florence, Ky.; Dick Ayers (MAI) Loveland. 500cc — John Toth (TRI) Nelsonville; James Fergson (BSA) Grove City; Dan Hermes (TRI) Covington, Ky.; Mike Moore (BSA) W. Milton. Open Class — Dennis Rich (TRI) Milford; Conley Newsome (BSA) Columbus.

Shown at the February 8th Annual Meeting of the American Motorcycle Association in Chicago, following their re-election are (left to right) T. A. Hodgdon of BSA, Inc., Secretary; William E. Kennedy of Rex Chainbelt, Inc., President; Earl J. Miller of Triumph Corporation, Vice President; and William H. Davidson of Harley-Davidson Motor Company, Treasurer.

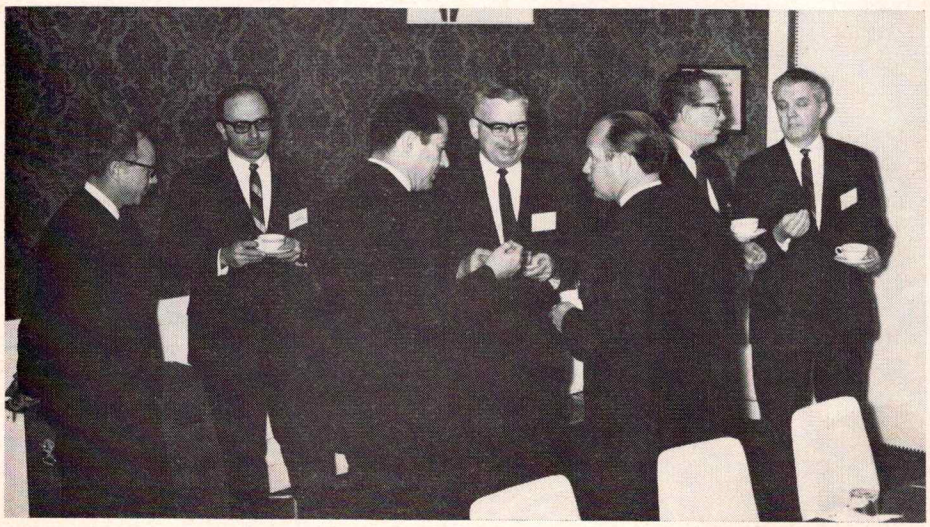
James Jingu, recently elected to the Executive Committee of the M.S&ATA, registers with Mrs. B. G. Pennell.

American Motorcycle Assn. Board Convenes

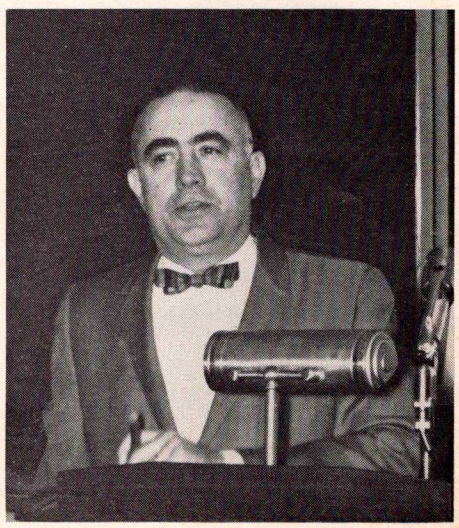
American Motorcycle Association Board of Trustees and Staff members convened February 8th in Chicago at the 1967 Annual Meeting. Braving the adverse weather conditions, the representatives of member firms traveled from all sections of the country by 'plane, train, and automobile for the business meetings.

During the two day affair reports were heard from five committees, election of the Trustees and Officers were held, Competition Committee and Technical Committee appointments were ratified and two applications for membership were acted upon.

The Building Committee reported the AMA offices had been moved to 5655 North High Street, Worthington, Ohio. This move would give needed extra space to facilitate a rapidly growing membership department.



A welcome coffee break for a few moments of relaxation during a heavy schedule at the board meeting.



President William E. Kennedy opens the 1967 annual AMA meeting.

AMA

EXECUTIVE DIRECTOR

REVIEWS

ORGANIZATIONAL STRUCTURE

William T. Berry, Jr.

W. T. (Bill) Berry Jr., Executive Director, opened his remarks to the Officers and members of the American Motorcycle Association, at annual meeting, with the reminder that he had been associated with most of them over the past several years through his work with the Motorcycle, Scooter and Allied Trades Association. The newly appointed director stated that the past seven months had been a period of getting acquainted with his new responsibilities and that it would be most fitting at this time for a review of the organizational structure of the AMA along with its basic aims and objectives. With the use of visual aids, Berry then discussed the AMA by-laws which clearly outlines the purpose of the Association to be:

(1) To regulate and control motorcycle competition.
(2) To encourage the formation of motorcycle clubs.
(3) To sponsor campaigns to promote highway safety.
(4) To further all types of motorcycle activities along the proper lines.

"The backbone of the Association is the individual member numbering over 90,000 from all parts of the country," Berry said. They join the Association as motorcycle enthusiasts for the purpose of participating in AMA's organized activities." It was brought out that 1,800 organized clubs are a part of this membership.

Director Berry said the stability of AMA comes from the additional membership of firms who are engaged in motorcycle or related businesses. "The basic structure of AMA is correct in concept and can function to achieve its objectives."

Director Berry stressed, "with a renewed public awareness of motorcycling it becomes most important that we do not lose sight of our objectives. It is most important that we do not assume responsibilities that are not in keeping with the original intent of the Association. AMA is not capable of solving, nor should it be expected to solve those problems not related to its basic objectives."

Berry explained that a tremendous amount of criticism has been aimed at AMA over the past two years by some of the motorcycle trade press. Even though he felt criticism invites review, destroys complacency, adds new enthusiasm; he felt those concerned should focus their attention on the intent and purpose of AMA as outlined in the by-laws.

"I have often wondered during the past few months to what new heights the AMA would have risen with the help and support of all segments of the industry. There is no doubt in my mind that AMA growth and activities have been curtailed by unjust criticism," said Berry, "and there is no doubt in my mind that in some cases this criticism has been launched for the purpose of obtaining recognition by a few who are more interested in destroying than in building."

Berry praised the Board of Trustees (presently 32 members) who serve without pay. He complimented the paid staff and said, "they are loyal dedicated people who are doing, and have done through the years, their very best to implement the programs developed by the Trustees and the Executive Committee." Berry again stressed that there are many hundreds of AMA appointed officials who serve without pay.

Among the many benefits of AMA membership, Berry emphasized (as most important) the opportunity to associate with fellow enthusiasts and to participate in motorcycling activities coast to coast both professional and amateur, for competition and pleasure riding under the auspices of one organization without the responsibility or personal liability for the operation of the Association.

In his report of the progress of the various departments, Berry congratulated Jules Horky for his 20 years of service as the Director of Competition. The Competition Department is responsible for licensing of professional riders, the sanctioning and conduct of all AMA events. In 1966 AMA sanctioned 689 professional events, 3,491 sportsmen events, and licensed 2,260 professional riders.

Director Berry gave his pledge to continue to conduct the affairs and the day-to-day management of the association to the best of his ability with fair and impartial treatment for all concerned. "However, it should be noted that the success of any association is in direct proportion to the efforts put forth by the members individually and collectively," said Berry.

Study Committee Reports On Motorcycle Congress Idea

The Board of Trustees listened and later joined into a discussion of a study committee proposed Motorcycle Congress. If adopted, the Competition Committee (as it is now called) would be referred to by this new name.

UNDER THE PRESENT SYSTEM a Competition Committee is appointed once each year for the term of one year by the Secretary, upon the approval of the Trustees. The Committee has 30 members who from among their own members, elect a Chairman and Deputy Chairman. The purpose of the Competition Committee is to adopt and provide for the enforcement of rules and regulations pertaining to AMA motorcycle competition. A Motorcycle Congress would serve the same purpose.

IN ADDITION, a seven member Technical Committee is appointed each year by the Secretary, upon approval of the Trustees. The Technical Committee acts in an advisory capacity for and under the direction of the Competition Committee on all matters involving technical aspects relating to motorcycle competition among AMA members.

THOSE WHO CRITICIZE the present system say it is not truly democratic in as much as the members remain on the Competition Committee year after year and their appointment is entirely up to the discretion of the Secretary and the Board of Trustees.

THE STUDY COMMITTEE was appointed by Association President, William Kennedy, many months before this annual meeting. This Study Committee WAS NOT formed with the specific intent to reorganize the Competition Committee, but rather to review its purpose and function and to determine if it was acting within its scope and jurisdiction. The present members of this study group are: William Harley, Chairman; W. T. Berry, Jr., E. W. Colman, and new members: Robert B. Hicks and Frank Heacox. There have been others on the Committee in the past.

The Study Committee proposal calls for a new method of selecting the members of the Competition Committee. Chairman Harley stated that the Committee was discussing a proposal whereby each Class B member would select two representatives to serve on the Competition Committee; one from the eastern half of the nation and one from the western half of the nation. AMA would be represented on the Committee or Motorcycle Congress, as it could be named. Professional riders would select two representatives - one from the east, one from the west, preferably by election. It was suggested the AMA districts be divided into three regions. Each region would elect two representatives. These elected and appointed representatives would form the governing body known as the Motorcycle Congress. The Congress would then be made up of several committees, such as Technical, Professional Racing, Sportsman Events, and possibly others. Matters to be considered by the Congress would be first referred to a committee as was done at the last Competition Committee meeting.

The Motorcycle Congress idea was presented to the Board of Trustees in the form of a committee report on their activities. Many details have yet to be worked out before the Study Committee will be prepared to make definite recommendations. The Committee will meet again on March 20 for further study. Their final report must be completed prior to the annual meeting of the Competition Committee in November.

Following the Study Committee report, a motion was made that the term of the present Competition Committee and Technical Committee members be extended indefinitely. Motion was duly seconded, and the motion carried.

———o———

Four Firms Asked To Join AMA

Executive Director, W. T. Berry Jr. reported to the Board of Trustees he had invited Daytona Sports Company, Buco Products, Gene Schillingford and Sons, and Vescony to submit applications for AMA membership. Vescony declined. There was no response from Gene Schillingford and Sons. Buco Products and Daytona Sports Company were accepted into membership by all board members in attendance. AMA by-laws require the polling of absent members to get their votes before election of new members is final.

The following firms make-up AMA class B membership:

American Sports Co., Inc.
15899 S. San Pedro St.
Gardena, California

Bell-Toptex, Inc.
2850 E. 29th Street
Long Beach, California

BSA, Inc.
639 Passaic Avenue
Nutley, N.J.

BSA Motorcycles-Western
P. O. Box 337
2745 E. Huntington Dr.
Duarte, Calif.

Indoor Short Track Race To Be Held In Montgomery

The Montgomery Motorcycle Club was host to the annual American Motorcycle Association district meeting March 4 in Montgomery. Guest speaker was AMA Deputy Director, Garry Payne of Columbus, Ohio. Members of eighteen motorcycle clubs from Alabama, Florida, and Georgia attended.

Joe Smith, President of the Montgomery MC, explained the purpose of these meetings is to build a better image of motorcycling to the public and to correlate the local motorcycle club's race events of the coming season.

Present at this meeting was Mr. Dick Payson, of the Montgomery Traffic Commission who explained the new riding school the city of Montgomery has established for young motorcyclists. This School is the first such endeavor by the city to provide the proper training for motorcyclists.

Also attending were Mr. William Bigger, President of the Metropolitan Sertoma Club and Mr. Hollis Carlton, President of the Montgomery Sertoma Club who in co-operation with the Montgomery MC are sponsoring a four star professional indoor short track race at the Garrett Coliseum, Sunday, April 23, 1967. Profits from this race will go toward furnishing the new Montgomery Juvenile Detention Center.

Jingu Elected To Executive Committee of Motorcycle And Scooter Association

James E. Jingu of Monterey Park, California, has been elected a member of the Executive Committee of the Motorcycle, Scooter and Allied Trades Association.

Re-elected to the Executive Committee at the MS&ATA's Annual Meeting in Chicago on February 9th were William E. Kennedy of Rex Chainbelt, Inc., Milwaukee, Wisc.; Earl J. Miller of Triumph Corporation, Baltimore, Md.; T. A. Hodgdon of BSA, Inc., Nutley, N. J.; Andrew Rocco, Lambretta Division, Innocenti Division, Long Island City, N. Y.; and William H. Davidson of Harley-Davidson Motor Co., Milwaukee. The Association's complete slate of officers was re-elected. It consists of Kennedy, President; Miller, Vice President; Hodgdon, Secretary; and Davidson, Treasurer.

Jingu is Director of Public Relations for Yamaha International Corporation, Los Angeles. A Texas native and graduate of the University of Texas, he won three battle stars and a purple heart in the Italy-France campaigns during World War II as a member of the 442nd Japanese-American Combat Team.

Following service as a commercial assistant to the Consulate-General of Japan at Los Angeles and an independent research-study trip to Japan, he was appointed U. S. distributor of Yamaha motorcycles in 1959. Prior to his election to the MS&ATA Executive Committee, he served on the Governmental Relations and Public Relations Committees of the Association.

Jingu is married and resides in Monterey Park with his wife and son.

At the Annual Meeting, representatives of the 40 companies holding MS&ATA membership heard detailed reports from operating committees and voted approval of Governmental Relations and Public Relations programs for 1967.

Fashions and Cycles

A recent window and in-store promotion, anounced by J. W. Robinson's fine department store in Los Angeles, featured Triumph motorcycles in connection

with the new mod look for women. If the fair sex can become interested in the smart attire that can be worn, stated the company, then you'll find more of them riding motorcycles than ever before. As an example, the sport of skiing gained its greatest impetus when women's fashion took to the slopes and so this natural tie-in between style and motorcycling is a good sign for the industry, Robinson's further stated.

New Scale Model Kits

Authentic scale model kits of three European racing cycles are now being exclusively imported and distributed in the U. S. announces Engine Specialties Inc.

The easy-to-assemble kits are precision made of the finest materials, and present each continental racer in full color and exacting detail.

Included in this collector's item series are the Benelli Grand Prix 250cc. 4 cylinder ($4.95 each retail), the Moto Morini Grand Prix 250cc ($4.50 each retail) and the Gilera Grand Prix 500cc. 4 cylinder ($5.95 each retail).

Each kit comes complete with assembly instructions, glue and display stand stated Engine Specialties.

Distributorships and dealerships are still available in most marketing areas. For additional information, contact Sales Manager, Cycling Products Division, Engine Specialties Inc., 2600 Bristol Pike, Cornwells Heights, Pa. Direct Dial 215-ME9-6500.

New BSA Motorcycle Chief Takes Up The Reins

Mr. Lionel Jofeh O.B.E. took up his duties at the BSA Group's head office, Small Heath, Birmingham, February 1st as managing director of the Motorcycle Division. He succeeds Mr. Harry G. Sturgeon, who has had to resign the position on account of ill-health.

Formerly chairman and managing director of the Sperry Gyroscope Co Ltd, Mr. Jofeh is a Chartered Engineer, Fellow of the Institution of Electrical Engi-

neers, and a Fellow of the Royal Aeronautical Society.

He joined Sperry as an engineer in charge of special projects in 1947. After holding various engineering posts he was appointed a director of the company in 1960 and managing director in 1962. He became chairman and managing director in 1964.

Aged 53, Mr. Jofeh has made frequent visits to the U.S.A. during the last 20 years.

He is married with one son and his leisure time interests include swimming and sailing.

Mr. Jofeh becomes a director of the BSA parent board on which Mr. Sturgeon also remains.

When the parent company announcement was made, it was also stated that Mr. Edward Turner, on reaching retiring age, was leaving the board at his own request.

New Sidecar For BMW Twins

For a period of more than two years, new sidecars for BMW Twins had not been available stated Butler & Smith, Inc.

However sidecar enthusiasts can now order, through authorized BMW dealers, a new Dutch-made sidecar with torsion-

Metzeler Tires ?

Who Needs 'Em?

You do—if you want the very best out of your machine and your own performance.

Why?

Because in Europe, a tire manufacturer can't hide behind good roads and speed limits.

Many of the roads are worse than anything you'll find in the U.S. —tires must be built extra-tough to tame them.

And on many good roads — like the German Autobahns — there aren't any speed limits at all. So tires have to be ultra-fast . . . and ultra-safe.

Even for general riding, German tires have to be good. For competition riding, they have to be great.

Metzeler tires are great.

And Metzeler is continually proving its tires in competition racing all over Europe.

Result: many world speed records have been set on Metzeler tires.

And if they can do it in Europe, they've got to be great!

You'll find Metzeler tires available in a wide range of tread and dimension.

Look into them today!

CLUB TEAM AWARD:
Passaic Valley MC, Clifton, N.J.

Sidehacks Petition For Professional Status

So, your cup of tea is thrills and excitement. Well then, step right up and have a seat at a sidecar event, for here you will experience enough spine tingling, spectacular racing to last a long time. And it is just this type of racing you can expect to witness when the Sidehack Association in Southern California runs.

Some four decades ago in the 1920's and early 1930's sidecar racing was much more prevalent than it is today. At that time racing was considered Class A and the sidecar teams were professional drivers sponsored and equipped by the different motorcycle factories, the same as solo riders were subsidized.

It was also during this era that more sidecars were used by road riders. In more recent years as the number of automobiles increased it seemed the number of sidecars decreased.

During this period when Class C competition was organized and Class A was no longer sanctioned, the sidecar racers were so few in number they were not included in the new program. This did not deter the sidecar enthusiast who continued to run whenever possible.

There are a few of these enthusiasts scattered across the country but District 37's Sidehack Assn. is a group of dedicated sidecar racers determined to build their sport up to the position they feel it deserves.

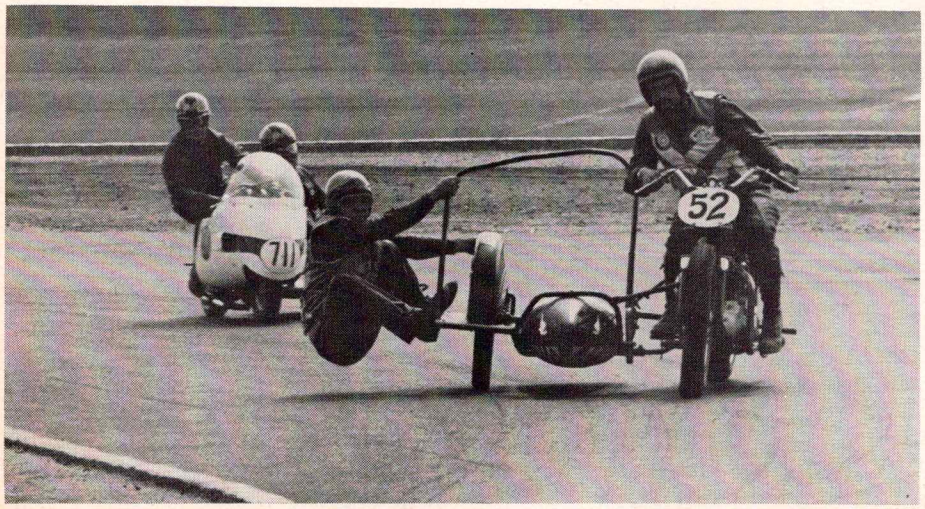
"The Sidehack Assn." said President Mike Parti, "is not a club per se, but rather an association of club members. These members all belong to other District 37 clubs and have joined together in the association for one common purpose, namely sidecar racing. They fall into three groups - desert racing, scrambles racing, and road racing. The group originally was formed for desert racing but as new members joined this soon spread to the other type activities."

President Parti listed the following elected officers and their basic duties: President Parti; Vice-President Jerry Person, who sits in on all committees, Secretary-Treasurer Mike Burns; Scorekeeper Bob Johnson, who keeps records on all events that the group votes as point events; District 37 representative Gary Weber, who also records scores for all sidecar events whether sponsored by the Association or an outside club; and three chairmen, one for each division - Desert racing Marv LeBlanc, Scrambles racing Dave Roesch, Road racing Doug Bingham. These chairmen are similar to vice-presidents: they handle all complaints and negotiate all matters pertaining to their individual type of event.

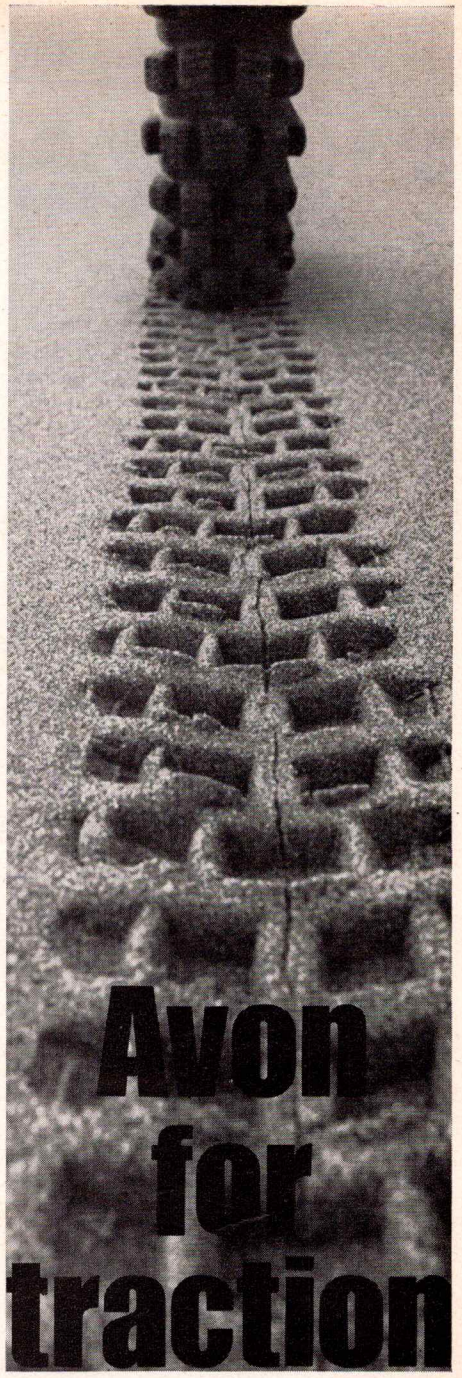
There is one position not elected but all members refer to charter member Wayne Krogstie as "The Chaplain." Wayne, a salty individual, is the oldest member, lives on a ranch and has been racing sidehacks for 18 years.

Parti stated there were 40 active members in the association and most were working at building new equipment which would greatly enhance the sport.

He further stated that the Sidehack Assn. and its dedicated racing members have petitioned for professional status so that their sponsored events may be held on the same basis as other types of professional racing.



Mike Parti and passenger Jim Moffet lean into a sharp right closely followed by Reg Pridmore and passenger Ernie Ceaser. Note that Pridmore has sidecar on left in European style while Parti's chair is on the right. Photo taken at Whiteman Stadium in Pacoima, Calif.



In mud! In sand! Avon Gripsters really take hold. A specially designed deep-cut, self-cleaning tread bites hard in soft loose surfaces. Studded buttresses ensure safe easy cornering. And Avon quality means longer wear even under abusive competition riding. Get the tire for traction—Avon Gripsters. *Dealers, order from these distributors:*

Gran Turismo grips give you big new comfort! Their air filled ribbed construction is the secret of their success. You'll notice the built-in vibration damper because it will make a "smoothie" out of any rough engine.

Beck knows the importance of comfort. That's why Gran Turismo grips have been a Beck exclusive for years.

Available in either Black or White, custom-made to fit every type of machine from the smallest Japanese lightweight to the largest Harley twin. See the complete selection at your nearest dealer.

Order from the largest stock of accessories, riding apparel, ignition, engine parts and tires in the United States ■ **WHOLESALE ONLY**—Only dealers may apply for catalog to the nearest regional distributor.
